

CITs

The second session for the CITs so far is great. We welcomed Dylan to our group. This week was the hottest week at camp all summer. The CITs spend most of their time at the lake and pool. We had so much fun on the slide and swimming with the kids. We look forward to next week with all the trips and overnights.

STARLIGHT

This week in Starlight we welcomed our new friends David, Hailey & Will. All of the seemed to enjoy the pool as their favorite activity. All of the Starlights' favorite activity, though, was tie dye! The shirts that were tie dyed look wonderful! With the temperature being so hot we played a lot of water games. All the kids ended up soaking Ms. Pru! Overall, this week was extremely fun.

TRAILBLAZERS

Bam! What a great week at camp! This week was extremely hot. We made it a point to make the kids swim to cool off. We played a lot of new activi-

ties such as elimination, and we did a lot of forts to keep the kids out of the sun. We gained three new campers this week. They seem to be making friends very quickly. In sports this week we had a water balloon fight. We are looking forward to our trip next week to Moss Hollow Creek Park, next Tuesday.

ART

We started off Session II with a bang! We had camp-wide tie-dye fun and also made some very artistic sun catchers and drawings. We continued working on string art and fun fusion, as well as showing our creativity with free-choice art! Looking forward to next week. *Ms.*

Nicole

PIONEER

This week was a scorcher but didn't scorch our fun! We cooled off by staying in the woods making forts and painting pet rocks. Boating was a blast, and Pioneer took full advantage of the huge slide in the lake. We are proud to announce that many of our Pioneers are shedding their bubbles! Yay!!

We would like to announce our two new campers, Madavan and Paige. Welcome to our Camp Daleville family! Looking forward to the next three weeks - *Rachael,*

Chris, Tam, Woody, Allie, Tony, Emily, Sasha & Ashley

SPORTS

Wow -what and extremely hot week at camp- but I would not want it any other way. This week in sports we tried to not "overdo it" with the heat, so we had water bal-

loon tosses. We had so much fun and enjoyed the small splash of water that offered some temporary cooling. Trailblazer counselor Kelsey seemed to be the universal recipient of any leftover water balloons! Overall, what a great week!

Until next time.... *Cara*

VENTURE

Week 5 has been great for Venture! Zach had a 1:05 time on the obstacle course with Collin coming in a close second at 1:14.

The whole group, especially Matt, loved playing nucomb! Everyone got to enjoy our home-made slip n slide! Everyone is anticipating our trip to Jim Thorpe. And we're excited about our overnight at camp next Wednesday!

Lauren, Charles, Josh, Kerri, Rieley

DRAMA

We hope everyone had a great 4th of July! Our third week of camp was awesome! Music is a favorite and we all love singing the "Lazy Song." We enjoyed a vigorous game of oddball against Venture

and had fun exploring the lake while boating. Cupcake making was a big hit. They were so yummy! Cannot wait for camp next week! *Pru*
