

PIONEER

Week 3 was a spectacular week. All of the campers had loads of fun with the multitude of activities. That we had to offer throughout the week. Matt, Charlie and Chris were the masters of the nucomb court, while Alex improved in the pool by learning new skills in the water. Pioneer I and II had a plethora of adventures in forts this week, and also were able to find many different critters in the forest. The Pioneer counselors would like to congratulate Anna for getting her cast off! Week 3 was a great one, and we expect many more to come for the rest of the summer.

DRAMA

This week in "Annie" has been very productive. Scripts have been handed out to each cast member and we are working on staging the first half of our production. There will be a full cast list, props and set needs list going home on Friday with all campers. Until "Tomorrow!" *Dru*

SUNSHINE CONNECTIONS

Week 3, our second to last week, was shortened due to the Fourth of July holiday. However, the Sunshine Connections campers have really adapted to the camp routine. They love art & swimming, and tried their hand a Michelle's music class. Brayden, Jonathan, Matthew & Sam tried forts for the first time. Katrina made some new friends and spent some time collecting apples with them. Next week the kids will have boating twice and will finally get to try the Slide. *Love, Ashley*

MUSIC

This was one music-filled week at sunny Camp Daleville. Though everyone was singing "The Lazy Song," the way campers did the rebook and the Duck Song showed that they were anything but lazy! "Leaving on a Jet Plane" sounds beautiful and "Mr. Jones" is good enough to give you chills! There is no doubt in my mind that this will be a summer to remember!

Love, Michelle

VENTURE

Hope everyone had a happy 4th of July weekend! While the day off was nice, we were happy to come back and be with our friends. We had a great time beating the Trailblazers in a friendly game of kickball. The kids loved playing on the huge slide in the lake. Zach keeps tearing up the obstacle course, while Collin and Corey become card-masters. And of course, we're all fans of playing elimination. We can't wait to to to Baltimore next week!

SPORTS

I hope everyone enjoyed their day off from camp and still stayed active. This week we talked about being active versus inactive in the lifestyle choices that we make. We competed in our strength yoga pose of a reverse plane. We have some very concentrated, strong campers. I was impressed! Until new week... *Cara*

CITS

The third week of camp for the CITS was antastic. We all had a blast in the lake with the free fall and jumping off the dock. The pool was also a lot of fun this week. We're all having a good time helping out the Counselors with the campers in the mornings. We have been planning many wonderful things for the kids to do this summer. It will be a lot of fun. We ae looking forward to the weeks that come.

TRAILBLAZERS

We hope everyone had a great 4th of July! Our third week of camp was awesome! Music is a favorite and we all love singing the "Lazy Song." We enjoyed a vigorous game of oddball against Venture and had fun exploring the lake while boating. Cupcake making was a big hit. They were so yummy! Cannot wait for camp next week!

SUNSHINE CONNECTIONS

Week 2 was full of glorious successes for the Sunshine kids! They scared away the rain from the week before and were able to try some new things. Boating was the main attraction! Brayden, Matthew & Sam rode a

LAKE

Our second week on the lake has been very eventful. Not only has everybody had a chance to boat, but they are experiencing the most exciting events. Thursday the dock was rowed into place. I know there will be many great times there!

And Wednesday the silde will be blown up and rowed into place. Carli and her CIT's can't wait for that event to happen. Now the summer only gets better and better!

TRAILBLAZERS

What a great second week of camp! Our trip to Camel-beach was amazing. The kids had a blast in the wave pool and on all of the slides. The Titan was everyone's favorite waterslide. Overall everyone had a great time at the park, riding waterslides and purchasing souvenirs. After our day in the sun we came back to the camp for a sleepover. We played elimination, tetherball & nucomb on the playground and ran the obstacle course. Later that night everyone lay down in their sleeping bags. This week we enjoyed art and sports. Everyone had fun building forts. We had our first hike this week in the woods. On the hike we explored "tire heaven." The kids loved it! See you next week!

POOL

As usual the pool is busy as ever. We are practicing our kicks and Trailblazers have begun the Dolphin kick as well! Michael D. and Marilya can swim without a bubble! Congratulations! Little by little many other campers will be joining the "No Bubble Club!"

PIONEER

We had such a great week, despite fighting off the rain! Pioneer welcomed some new campers— Elle, Jacob, Amoya & Casey. Pioneer loved learning more songs, like "The Shark Song" &

"The Bumblebee Song." We showed off our creative sides in the art room, where we made foam are & chalk drawings. Pioneer worked off their never-ending energy with Ms. Cara in sports and on the tetherball court, where height didn't matter. We anxiously await the wild blueberries that surround the lake and we admire the flowers from our boats. On dry land, we have a large group of committed sand castle builders who live in the sandbox. Of course, we had a fabulous time at Knoebel's, trying to go on as many rides as we could. We sure didn't shy away from the roller coasters either! W wound down back at camp with dinner, playground and a movie. All of us at pioneer can't wait for next week at camp! See yah then! *Love, Sasha, Rachael, Tony, Tam, Woody, Chris & Emily*

DRAMA

Our production of Annie is going great. The campers have been given their parts and a cast list and script will be going hoe with them on Friday. *Pru*

STARLIGHT

This week was another amazing fun-filled week for all of our campers. We welcomed Celia, Atulya, Bruce and Stella to our group. They had a blast during swim and playground and wowed us with their creativity in Art. This week our camp-
