

## JCC LAUNCHES NEW WEBSITE FOR CAMP DALEVILLE

The JCC has launched a new website specifically for Camp Daleville! The site highlights the facilities, and all of the programs and activities camp has to offer. It includes relevant information such as session dates, pricing, program descriptions and more. Starting in September, users will be able to download enrollment materials directly from the site, or enroll online when registration opens for 2012. Next summer, families will be able to see what their children are doing at camp by logging in to the site during the day and seeing pictures in real time! Additionally, the site features a section so that we may connect with our camp alumni. The JCC of Scranton is in its 80<sup>th</sup> year providing camping services, and JCC Camp Daleville is in its 46<sup>th</sup> year of operation! Check us out on the web as we take one giant leap into the 21<sup>st</sup> century! Use this address to access this exciting new feature: [www.campdaleville.org](http://www.campdaleville.org)

### STARLIGHT

This week we had a super time! We really loved swimming, playground, art, Jewish culture, drama, music and sports as we rounded out the end of specialties. We have enjoyed seeing our campers grow and become friends over the course of the summer! We welcomed new campers Jordy, Sam, Pahal and Jayin!

*Ms. Nicole, Ms. Pru, Jordan, Shonna, Allie, Rachel, Ashley, Meyer & Henry*

### ART

This week in art was a blast! We made door hangers and book marks, painted and colored, continued our jewelry making and free choice of art during specialty camp. We have really enjoyed the art classes throughout the summer. We wish you luck!

*Ms. Nicole*

### TRAILBLAZER

Another awesome week at camp. The Trailblazers had a blast in the lake and at the pool. You would have thought they were fish. The slide is always an awesome attraction at the lake, along with jumping off the dock. The kids also love to go out on boats and pick blueberries. The kids love singing songs by the Music Tree. Another fun activity is forts. The kids have a contest to see who can build the best forts. We are looking forward to color

wars next week and we hope to see all of you at post-camp.

*Michelle, Justin, Nicole, Kelsey, Justin*

### SPORTS

The sports department saw a lot of action during week 7. The campers enjoyed instructional volleyball and with Venture out on a 3-day trip, many groups had additional time to partake in sports and games. I am very sad that next week we end but have many competitive activities in store for color war!

*Cara*

### VENTURE

This week was adventurous as Venture traveled to Jim Thorpe for three day of camping & rafting. The kids enjoyed spending time on the campground beach, playing Frisbee and soccer. Obviously, the highlight of the trip was our day-long escapade down the river. We had a blast navigating through the rapids with the help of our skilled guide. After the exiting day the kids relaxed around the campfire, making s'mores and singing songs. The last day of our trip was spent racing the go-karts and practicing our shots on the mini-golf course at Moss Hollow Creek. Can't wait for Color Wars and Doreny for our last week of camp! Over and out!! *Your dear friends,*

*Steve Lauren, Charles, Rieley, & Josh*

### CITs

This week we are enjoying helping out in our groups. We also had a lot of fun on our overnight. We painted a CIT mural in the teen lounge. We had a great week and we

are very sad camp is almost over. *Car Car, Lex Lex, Tor Tor & Rye Rye*

## THE POOL

We cannot believe the tremendous improvements that all of the campers have made with their strokes in the pool over the past seven weeks. We even have many of the Starlight campers out of their bubbles! It has been an awesome summer in the water and we are sad that next week it all comes to an end. But we are planning an awesome Water Carnival for Color War!

*Rich & Brittany*

## THE LAKE

Boating was terrific this week and the blueberries along the shoreline were plentiful. The water slide and floating dock were in full use on these hot days as the campers could not wait to put their life vests on and enjoy the waters. Until next week... *Rich*

## JEWISH CULTURE

What an exciting week in Jewish Culture. We taught the campers more Hebrew songs and on Thursday a group of Jewish Campers from Camp Moshdava in Honesdale

came to Camp Daleville and taught our campers about various cities in Israel. We cannot wait for Color War next week! *Valerie, Kelsey, Michelle, Justin, Justin, Nicole & Henry*
