Dear Camp Parents,

This summer, JCC Camp Daleville is partnering with CampDoc, which offers an electronic health record and online registration system for camps. Everyone is required to (re)register online - even if you have previously registered your camper. If you already registered your child (with a paper brochure), placed an early bird deposit, and/or are receiving scholarship funds, you will receive an email from CampDoc with your log-in link.

After signing up for your program, you will receive an “Invitation” email from CampDoc.

- Click on the green "Accept Invite" link within the email to create your CampDoc account.
- In the Confirm Email box, type your email address in order to confirm.
- In the Password box, type the password that you want to use.
- Click the CONTINUE button.
- After you log in, select your camper’s name and click on the health profile link to complete your participant’s information.
- Required questions will be marked with an * and outlined in red. Upload any required documents to your CampDoc account. If you’re on a phone/tablet, you can take a picture to upload the document.

Keep in mind that you can return to app.campdoc.com at any time to make updates to your participant’s health information or make additional payments before your program begins.

CampDoc sends out periodic reminder emails for incomplete health profile information. These notifications come from campdoc.com, so please add this to your safe sender list to avoid accidental delivery to junk and spam folders. We don’t want you to miss important notices about Camp Daleville!

Please note that CampDoc supports the current and previous major releases of Chrome, Firefox, Microsoft Edge, and Safari which provide improved security and performance for health information.

For additional registration assistance, you can navigate to support.campdoc.com or contact our Support Team at support@campdoc.com or 734-636-1000. If you have camp specific questions, please contact Vince Kalinoski at 570-575-0793 or vkal3@scrantonjcc.org.

We are excited to continually improve, building safer, more productive and more efficient systems to create the best experience for you and your family!

We can’t wait to see you this summer!
